CSO Docent Program

Share your love of the Chicago Symphony Orchestra with Chicago's children! The Docent Program is looking for passionate men and women to prepare elementary school students for a rewarding experience at the CSO's School Concerts.

Please contact the Volunteer Office at 312-294-3170 or docents@cso.org.

"Thank you so much for everything. The children loved the program and you all have exposed them to a world that they probably would have never known." —Chicago Public School Principal

"Because of the Docent Program, I'm a better listener and, through the children, get to hear great music for the first time—again!" —Docent

The Docent Program is a project of the League of the Chicago Symphony Orchestra Association and the Negaunee Music Institute.
